

Call for participants to Greifswald International Student Festival 2020

With a view to promoting dialogue, cultural diversity and enhancing international exchanges among students in the fields of culture, communication, and sustainability.

The Greifswald International Student Festival e.V. "**GriStuf e.V.**" is proud to announce the opening of applications for the 2nd biggest student conference of its kind in Germany. The 10th edition of Greifswald International Student Festival will be held from the **5th to the 13th of June 2020** under the motto "**From Ego to Echo - creating ideas for collective change**", during which, we want to discuss the importance of activism and assess the impact each of us has on the global society. Our aim is to encourage the participants to actively engage and take part in sharing ideas and inspiring each other, to stand up for what they believe in. During the 9-day programme, intercultural dialogue, group work and input lectures and other cultural events shall motivate the participants to discuss the topic of the conference from various perspectives in different workshops.

Application link : **apply.gristuf.org**

The application phase has started on the **1st of November** and will end on the **15th of December, 2019**. Further detailed information about the festival and its programme, as well as a FAQ-section on the application process can be found on our website www.students-festival.de.
